

Planning Application For 92 Hepburn Gardens St Andrews Fife KY16 9LN

Dear Sir/Madam

Having had the opportunity to examine the plans in full via the Gibson Trust Project website, I am writing to give my full support to this proposal. I am satisfied that the plans are sympathetic in nature to the original house at 92 Hepburn Gardens, and that the proposals would create a much improved home for the residents who would be relocating from Gibson House.

Sincerely,

Signed-
